My works
contain not

kissing boys.

but also
happening, and
sometimes
a little bit of
sexy stuff.

I mean
when girls
have a prince
charming, near
or twice they
have images
like that.

Story like
this is

Character Profile

Sakura Rana

Before I've started this series,
I was drawing a very short story called
"Kumari-to Miroku".

The main heroine in there is a pretty wild girl,
so I've had quite a bit of trouble determining
Rana's personality while drawing the first chapter.

I've set her to be a shounen rangaite,
even though she has a similar background to mine,
but I'm drawing a manga inside a manga...

I really enjoyed it when

I was drawing the draft though. (Laughs)
When I go to the editing department to say...
no! When I go there to discuss about the series,
both my editor and my subeditor praised me. (Laughs)

I said, "Yagami would very
hard when drawing these pictures..."

Truth is... In reality, I wasn't very very hard on them!

There have been times when I've so draw
with an empty stomach because

I don't have time for dinner just before the deadline...
"gop up!"

CHARACTER PROFILE

Okita Tomoya

He's a very challenging character for me. I'm pretty happy that he's so popular with girls! The most interesting thing that my readers have said in the forums is "Rena and Okita's novel." (Laugh) There are also quite a few people that wish there's a guy like Okita.

But, if you do have someone like Okita as your classmate, you'll probably feel really troublesome about it!

I've had a hard time with his personality at first, but I really start to enjoy drawing him after I've finished drawing his sketch.

Insider: Okita playing in a band... That was one of my original settings for him. (Laugh) but that didn't passed after some consideration. Yeah, if he was a high school student instead, I might have was that idea!

FREETALK:

(Continued from pg 55)

INK.

I use inks that are especially designed for drawing. When I want to fill an area with black, I'll use either an oily marker or colour ink and etc.

I use copo markers for the highlights on the hair. (2 - 3 kinds)

SCREEN TONES.

Sometimes, I use those really cheap screen tones, which cost about 350 Yen, as well. I don't really care about what brand it is as long as it gives me the desired result.

OTHER TOOLS.

3D, 45 cm ruler. A Curve ruler, a circle master, compass, special eraser, lighting box, a small cutter and etc. Besides those, if I find anything that's useful that I'll use that as well.

COLOURING TOOLS.

I use the computer to colour my pictures. I usually use Photoshop. If I have the time, I want to learn how to use Painter as well. The signature board that was usually used for the Gao draw is drawn using some strange pen.

But the important thing is that you use tools that are suitable for you!

Materials for the manga and characters have already been mentioned before, this space will be used to reply to some frequently-asked questions in letters from the readers.

Q: Why do you want to be a mangaka?

[I liked to draw since a very young age. I always drew on notebooks and papers like mad. Seriously thinking about being a mangaka was after I came out to the society... (laughed)
Btw, I sent my script to Ciao Manga School.

Q: How to improve drawing skill?

If there is a good way, I would like to know. I practiced diligently everyday, but I'm still a long way from the skills I'm satisfied with. Despite of that, I think keep drawing is the only way to improve. Let's work hard together!

Q: I don't know how to draw girls. Please give me some clues.

Please use love to draw. (c=)
I always put in too much love...
(Whether the drawing is good or not is not the first priority...)

The simple structures of girls and guys are as follows...

← I think it's like this

This are just the basics, some guys use the face structure of a girl, the opposite situation is possible.

Along with personality, the face structure of the character will change with it... But if the two faces are put next to each other, the one on the right should be a guy!

(.. btw, Yamase used the face on the left.)
Note: I think Yamase is right.

Kya!

LET'S BE AS
A BANNER
TOGETHER!

ABOUT THIS...

SENSEI!
HAS HE GOT A
GIRLFRIEND?

ARE
PEOPLE
OLDER
THAN
ME
ABOUT
IT?

OH DARN IT!
THAT SMILING
FACE IS ONE
THAT NOBODY
CAN'T RESIST!

I LOVE
MY HAND
EVERYTIME
I SEE HIM!

PLUS
HE'S
GOOD AT
COOKING!

I REALLY
WANT TO
EAT HIM!

I'M NOT
VERY SURE
YOU HAVE TO
ASK THE PERSON
YOURSELF

I'M VERY
SCARED...

I'VE BEEN
DAMPED!

BUT SO
COOL...

WA!

HOW
CRAZY!
BUT SO
COOL!

WOW!
POLICE!

DON'T
ACCEPT
DEFEAT!

TOMORROW!

I DON'T HAVE
THE HEART TO GET
A GIRLFRIEND

URGENTLY.

Copyright © 2000 by Shueisha Inc. All rights reserved.

I ALWAYS
HAVE THE
FEELING
THAT...

THOSE GIRLS ALL
LOOK SIMILAR.

LEAVE
ME
ALONE

YOU HEARD
THAT?

YOU MADE
ANOTHER GIRL
CRY AGAIN!

THEY HAVE
EVEN COMED
A DISCUSSION
BOARD.

CRY
BOARD

PLEASE
DON'T
SPEAK
SO LOVELY
OF ME...

ENOUGH
OF YOU.

I SEE
YOU WOULD
RATHER HAVE
ME AS YOUR
GIRLFRIEND?

THEN WHAT
KIND OF GIRL
DO YOU FIND
ATTRACTIVE?

I ONLY WANT
TO GO OUT WITH
A GIRL I FIND
INTERESTING.

TOMMY'S
VOICE

BETTER
TO BE
INTERESTING,
THAN TO BE
MORE FUN.

"INTERESTING
SANDOU"

THAT'S
THAT

FOR EXAMPLE,
LIKE SANDOU WHO
IS VERY OBSTINATE
ABOUT HIS GOALS.

Tomoya,

Stop,
stop it

IS THAT IT?

WHAT'S THE
PROBLEM?

<fallen head over heels>

-END-

Let's see each
other next
time!

HAVE A MANGA- STYLE LOVE!

Thanks for everyone's support,
which allows me to write
this side-story.
I'm really really grateful.

In fact, Tomoya is more
popular than Rina.

That's why the side-story
"Having a manga-style love"
turns into a small but
interesting story center
with Tomoya at the center,
although Rina is still the
main character.

...The newly-added manga
also has a lot of love that I put in.
hope the readers will be satisfied.

Looking forward to receiving
comments sent to everyone.
